

KS2 Science Long Term Plan

	Year 3	Year 4	Year 5	Year 6
Autumn 1	Biology Plants	Biology Animals including Humans (Digestion and teeth)	Biology Animals: Humans (life cycles and growth and change)	Biology Animals including Humans (circulatory system)
Autumn 2	Chemistry Rocks	Physics Electricity	Physics Earth and Space	Physics Light
Spring 1	Biology Animals and Humans (Nutrition)	Chemistry States of Matter	Physics Forces	Biology Living Things and Their Habitats
Spring 2	Biology Animals and Humans (Skeletons)	Biology Animals including humans (food chains)	Biology Animals: Humans (life cycles, reproduction)	
Summer 1	Physics Light	Biology Living Things and Their Habitats	Chemistry Properties and changes of matter	Physics Electricity
Summer 2	Physics Forces and Magnets	Physics Sound		Biology Evolution and inheritance
