

Foundation Stage Spring 2 KIRFs

Key Instant Recall Facts (KIRFs) are designed to support the development of the mental skills that underpin much of the maths work in school. Instant recall facts help enormously with mental agility within maths lessons.

Your child's KIRF this term is:

3 + 2 = 5

2 + 2 = 4

In addition, you can help your child by practicing the following:

Number bonds to 5								
3D shape								
2 Part Pattern								
Length					long, short, longer, shorter, longest, shortest			
Next to Near to
